## HONDA LEADERSHIP PURCHASE PLAN (LPP)\*

### Before You Finance Your Honda, Explore Your Options

When it comes to choosing your Honda, you have plenty of great options. Now, discover a unique financing plan that offers a number of advantages over traditional financing, including **convenient** options you'll appreciate. With the Honda Leadership Purchase Plan (LPP), you'll enjoy more choices, and more flexibility, to fit your needs.

### Guaranteed Purchase Price

When the Honda LPP term ends, you'll have the option to own your Honda by paying the guaranteed lump-sum purchase price. If your vehicle is worth more than the lump-sum end-of-term payment, you can purchase it to keep or resell. If the vehicle is worth less, you can turn it in and sign a new contract. Either way, you'll have the **flexibility** to make the best financial choice for you.

### Covering the GAP

You can purchase affordable **Honda Care®** **Guaranteed Asset Protection (GAP)<sup>†</sup>** coverage, which can potentially save you thousands of dollars in unexpected costs. In the event your vehicle is stolen or deemed a total loss, Honda Care GAP covers the difference between the remaining amount on your LPP contract and the amount your vehicle insurance pays.

### Flexible Terms

The Honda LPP comes with **flexible financing terms**, ranging from 24 to 48 months. Choose the term that best fits your needs and financial situation.

### Your Name on the Title

With the Honda LPP, your name appears on the title of your Honda — just as if you bought the vehicle outright. Which means your Honda is also an **asset** and an advantage for future financial transactions you may make.

### Fewer Fees, Greater Enjoyment

The Honda LPP includes a \$1,500 Excessive Wear and Use Waiver that should cover most wear-and-use costs. And you won't have to worry about purchase-option or disposition fees, giving you even more opportunities to **save costs**.

\*The Honda Leadership Purchase Plan is only offered in Arkansas, Illinois, Maryland, New York, Oklahoma, South Carolina, Tennessee, Texas and Virginia.

<sup>†</sup>GAP is included in New York LPP contracts only.
