Then explore the world in your new Honda.

The Choice Is Yours

At lease-end, you can lease or purchase a new Honda, or purchase your current Honda at the guaranteed price. You have the **flexibility** to make the choice that's best for you.

Guaranteed Purchase Price

With Honda Leadership Leasing, you'll know in advance what your Honda will cost to purchase at lease-end. So even if the vehicle holds a higher value when the lease term ends, you can still purchase it at the **guaranteed** amount to either keep or resell. If, at the end of the lease, the vehicle is worth less than the guaranteed price, you can turn it in and lease a new Honda.

Flexible Lease Terms

Honda Leadership Leasing comes with **flexible lease terms**, ranging from 24 to 60 months. Choose the lease term that best fits your needs and financial situation. You can even choose the Honda One-Pay Lease, which eliminates monthly payments by allowing you to make one payment, one time.

Automatic Coverage

More options come with more peace of mind. Honda Leadership Leasing automatically includes **Guaranteed Asset Protection (GAP)** coverage, potentially saving you thousands of dollars in unexpected costs. In the event your vehicle is stolen or deemed a total loss, GAP covers the difference between the remaining amount on the lease and the amount your vehicle insurance pays.

Honda Leadership Leasing includes a \$500 Excessive Wear and Use Waiver. Loyal customers¹ who purchase or lease their next Honda vehicle may qualify for an additional waiver² and may be eligible to get their turn-in fee waived.
